

# How can the Clean Development Mechanism (CDM) help you reduce carbon emissions? SETatWork has the answers...

Whether you are developing energy projects in Asia or Africa, or want to find innovative ways to improve GHG reduction in your organisation, the SETatWork project, supported by EC FP7, can help you benefit through the Clean Development Mechanism (CDM).

- 1 Find out more about CDM financing schemes with a wealth of links on the SETatWork website
- 2 Follow SETatWork's step-by-step guide to CDM Project Development
- 3 Complete a partner matching form and find better partners for CDM projects
- 4 Register with SETatWork and be the first to know about new opportunities in CDM markets

## From Carbon Funds to Country Programmes - SETatWork shows you how!

The SETatWork website includes a wealth of information on CDM financing including both direct project finance and trading schemes covering the purchase of Certified Emission Reductions (CER) generated from CDM projects. Find out more at [www.setatwork.eu/cdm\\_financing.htm](http://www.setatwork.eu/cdm_financing.htm)

## Follow SETatWork's step-by-step guide to CDM Project Development

Go to [www.setatwork.eu/cdm\\_projects.htm](http://www.setatwork.eu/cdm_projects.htm) for details of the how to set-up and operate a CDM project from project design, approval and validation through to registration, verification and certification. Topics covered include CDM project cycle, Legal documents for CDM project development, Key institutions under the CDM, Eligible CDM project types, Small scale projects, CDM project development costs and CDM case studies.

## Carbon dating! Find partners for your CDM projects

Complete a free partner matching form at [www.setatwork.eu/pm.htm](http://www.setatwork.eu/pm.htm) and SETatWork will connect you to appropriate organisations that are actively seeking to participate in CDM projects.

## Find out faster about the latest carbon market opportunities

Take a few seconds to register for the SETatWork newsletter and you will receive regular updates on news, events, projects and networking opportunities covering EU ETS, SET, JI and CDM. Register for free today at [www.setatwork.eu](http://www.setatwork.eu) and be among the first to know about the latest Sustainable Energy Technologies and funding schemes.
