

# Let SETatWork guide you through the carbon market maze with FREE tools and training for EU ETS companies!

With free tools and training from SETatWork, supported by EC FP7, your company can discover how to make the most of the European Emissions Trading Scheme (ETS) and take advantage of the latest energy efficiency technology and Certified Energy Management Systems (EMS).

- 1 Improve your energy efficiency - quickly find a better way forward with a free online assessment
- 2 Benefit from free training covering Certified EMS, energy efficiency technology & carbon trading
- 3 Complete a partner matching form and find SET product & service providers for EU ETS projects
- 4 Register with SETatWork and be the first to know about new opportunities in carbon markets

## Quickly assess how best to improve efficiency and raise your company profile

Future-proof your organisation - meet the challenges of climate change and make the most of carbon markets! Whether you want to buy or sell certificates, find the best sustainable energy technology for your business or discover better ways to reduce carbon emissions across the supply chain, our free online Assessment Tool will quickly guide you in the right direction. Try it at [www.setatwork.eu/toolv3](http://www.setatwork.eu/toolv3)

## FREE energy efficiency training for EU ETS companies\*

Go to [www.setatwork.eu/training.htm](http://www.setatwork.eu/training.htm) for details of the latest courses in Germany, Slovakia, Czech Republic and Sweden...with new courses to follow in Bulgaria, Denmark, Italy, Portugal and Poland. Download free training handouts covering Certified Energy Management Systems and Sustainable Design.

## Carbon dating! Find technology partners for EU ETS projects

Complete a free partner matching form at [www.setatwork.eu/pm.htm](http://www.setatwork.eu/pm.htm) and SETatWork will connect your company profile to experienced technology providers seeking to participate in sustainable energy projects.

## Find out faster about the latest SET projects and carbon market opportunities

Take a few seconds to register for the SETatWork newsletter and you will receive regular updates on news, events, projects and networking opportunities covering EU ETS, SET, JI and CDM. Register for free today at [www.setatwork.eu](http://www.setatwork.eu) and be among the first to know about the latest Sustainable Energy Technologies and funding schemes.

\*Participation in courses is free to qualifying companies under the EU ETS scheme, subject to registration and availability.
