

Ms. Nathalie Yannic

After working as an economist at the French utility, Gaz de France, Nathalie Yannic joined Proparco, the private sector financing arm of the Agence Française de Développement, in 2006. In her capacity of investment officer at Proparco's Bangkok office, Nathalie is in charge of originating and monitoring debt and equity transactions in South East Asia (Cambodia, Indonesia, Laos, Thailand and Vietnam), in particular in the sector of renewable energies. Nathalie graduated from the European Business School ESCP-EAP and holds an M-Phil in Environmental Economics.
