

Mr. Philipp Weiss

Mr. Philipp Weiss is working at the Climate Protection Department of RWE Power AG. He is responsible for the CER Purchase in China and South-East Asia. Prior to his position at RWE Power AG he developed a tool for modelling the impacts of CDM for the Thai electricity sector at the CEERD in Bangkok. A paper on the results of this tool has been published in the 'Energy Policy' journal. He holds a Diploma Degree in Business Engineering at the University of Karlsruhe, Germany.
