

Mr. Theodore Backhouse

Theodore moved to Deutsche Bank in Singapore in December 2006 to focus on originating, structuring and developing CDM projects across Asia. Prior to Joining Deutsche Bank, Theodore worked as a lawyer with two of the UK's leading law firms most recently focusing on leveraged finance and environmental issues. He was first involved with Carbon in 2003 advising on documentation used in the UK Emissions Trading Scheme and is part of Deutsche Bank's 10 strong Carbon team.
